Bronze Arts Award

Taking part in the arts and sharing skills

Bronze Arts Award is all about artistic inspiration, participation and communication. It supports young people to get involved in the arts, both as audience members and as creators, and encourages them to take their first steps towards leadership by sharing their arts skills with others.

This Level 1 qualification develops art-form knowledge and creativity alongside reflective practice, problem-solving skills and confidence. Participants complete a portfolio as their Arts Award journey progresses explaining what they've seen, done and learned along the way. We've made a short video so you can see for yourself. **<EMBED VIDEO>**
